## RESIDENT INFORMATION

The marathon and half marathon operate as an out-and-back course and streets will be re-opened on a rolling basis. As the last participants pass an area, the roads are opened to traffic at the discretion of local law enforcement. Roads will re-open at various times, with some as early as 10 a.m. Law enforcement will be positioned at major intersections to allow cars to cross the marathon course only during safe breaks between participants. Timing of road closures are approximate and subject to change. **For a full list of road closures and times, please visit**
